2024 Corporate Partnership Opportunities

Chenango County Historical Society (CCHS)

First established in 1939, CCHS received an absolute charter in 1956. Our organization celebrates the culture of Chenango County – its unique traditions, noteworthy residents, and unusual stories. Museum patrons are immersed in the county’s past through exhibits and programs which explore the rich history of our local region.

CCHS is the primary organization dedicated to celebrating the history of Chenango County. Since our founding, we have collected a wide range of artifacts directly related to the preservation of local history.

Our Mission

The mission of the Chenango County Historical Society and Museum is to lead and support the advancement of research, education, and enjoyment of Chenango County history.

Our Vision

Chenango County Historical Society and Museum will be a collaborative resource, fostering community relationships while honoring the past, informing the present, and inspiring the future.
